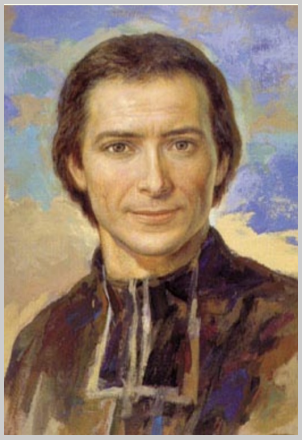
Champagnat Feast Day E-Cards now available.



Let's keep the charism of St. Marcellin alive and well and spread it throughout the church. You can send a St. Marcellin Card through catholicgreetings.org (you must join... it is free).

For whatever reason, you won't find it on their new website. They allow you to go to their old site, and you can send it.

First, go to 'Cards', and then you will see "Not finding what you're looking for? Click here to be directed to our original CatholicGreetings website". Then you can send the card.

If we all sent just one card to someone, imagine how we can spread the word about St. Marcellin!
